

KRISTIN MADER

Southlake, TX | (469) 346-8946 | k@maders.us

PILOT QUALIFICATIONS

Commercial Pilot (ASEL, AMEL) | CFI, CFII, MEI | AGI, IGI | sUAS (Part 107)

Endorsements: High Performance, Complex, Tailwheel

First Class Medical (Oct 2025) | **US Passport:** Unrestricted

FCC Restricted Radiotelephone Operator Permit

ATP Eligibility: R-ATP eligible May 2026

FLIGHT TIME SUMMARY

Total Time: 1148 | **PIC:** 1045 | **Multi:** 46 | **Instructor:** 651 | **Instrument:** 113 | **XC:** 348 | **Night:** 177 | **Complex:** 68

High Performance: 118 | **TAA:** 109 | **Last 12 Months:** 747 | **Last 24 Months:** 876

AIRCRAFT EXPERIENCE

Cirrus: SR20 G3, SR22 G6, SR22T G6 / G7 (Perspective+)

Piper: PA-44 Seminole, PA-28 Series, PA-23 Aztec, PA-20 Pacer, J-3 Cub

Cessna: 152, 172, 182

Other: Citabria 7KCAB, 7GCAA, RV-6, Tecnam P2010

Technical: Glass Cockpit and FMS (Garmin G1000 / Perspective+, G3000), Autopilots (Garmin GFC 700), ForeFlight EFB, Crew Resource Management (CRM), Threat & Error Management (TEM).

PROFESSIONAL EXPERIENCE

Flight Instructor & Assistant Chief Training Officer | GO FLY TEXAS | Roanoke, TX Mar 2025 - Present

- **Standardized Flight Operations:** Delivered high-quality flight and ground instruction to 30+ students in strict adherence to Standard Operating Procedures (SOPs) and FAA Airman Certification Standards (ACS); maintained a 100% initial pass rate for 6 Private and Instrument pilot candidates.
- **Safety Leadership:** Mentored student pilots in Risk Management, Safety Management System (SMS), and Aeronautical Decision Making (ADM) principles, facilitating safe operations across diverse demographics.
- **Training Development:** Spearheaded the creation of advanced ground school curricula for large groups, focusing on complex aircraft systems and emergency procedures.
- **Operational Oversight:** Managed student training records and progress logs, ensuring strict compliance with FAR Part 61 and 141 requirements.

Contract Pilot | TX/Nationwide

Apr 2025 - Present

Executed long-range ferry flights and provided specialized flight training in a variety of aircraft

- **Mission Planning:** Managed all logistics, including route optimization, fuel efficiency strategies, high altitude operations, mountain flying, and flights into highly congested and complex airspace.
- **Technical Proficiency:** Provided specialized transition training in a variety of tailwheel aircraft in challenging backcountry and mountainous environments. Applied Threat and Error Management (TEM) principles to successfully complete multiple long cross-country Part 91 transport flights above FL180 in technically advanced glass cockpit Cirrus aircraft.

EDUCATION

Bachelor of Science - Aviation Management | Texas A&M University – Central Texas (Expected May 2026)

Associate of Applied Science - Professional Pilot | Tarrant County College – Ft. Worth Alliance Airport (May 2024)

- GPA: 3.76/4.0 – Graduated with Distinction from Part 141 flight school.

AFFILIATIONS & SERVICE

- Aircraft Owners and Pilots Association, Experimental Aircraft Association, Women in Aviation International.
- Dedicated 200+ hours to Southlake community services (Police Department, Senior Center, Public Library, churches), demonstrating leadership and commitment to public services.
